DRIED AFRICAN BIRD EYE CHILLI (*Capsicum frutescens* L.)

Product Description:

Carefully selected and dried African Bird's Eye chillies, prized for their intense heat, vibrant natural colour and distinctive pungent flavour. The pods are carefully hand-dried to preserve their characteristic appearance, aroma and heat profile, making them suitable for spice, sauce and food-processing applications.

Country of Origin: Kenya

Plant Part: Mature fruits/pods

Product profile

Appearance:	Clean, whole dried chilli pods characteristic of African Bird's Eye chilli
Colour:	Red to deep crimson with natural colour variation.
Aroma:	Strong, clean and characteristic dried chilli aroma
Flavour:	Intensely hot, pungent and characteristic of the variety
Texture:	Dry, firm and brittle
Pod Characteristics:	Small, slender and tapered pods with naturally wrinkled skin

Available Formats:

Whole Pods • Stemless Whole Pods • Crushed • Flakes • Powder • Customer-Specific

Typical Applications:

Sauces. Dressings. Marinades. Poultry dishes. Fish dishes. Seasoning blend. Foodservice.

Packaging & Labelling

Primary Packaging:	Food-grade PE liner / sealed food-grade bag
Secondary Packaging:	Lined corrugated export carton or multiwall kraft paper sack
Bulk Pack Sizes:	5 kg, 10 kg, 15 kg, 20 kg or customer-specific
Labelling:	Standard export or customer-specific labelling available.

Storage: Store in a cool, dry, clean and well-ventilated environment, protected from direct sunlight, moisture, pests, strong odours and contamination.
